Subject Index*

A

Abdomen, surgery
Pain intensity and postoperative pulmonary complications among the elderly after abdominal surgery (Shea et al). 2002;31:440-9

Acinetobacter baumannii
Acinetobacter baumannii pseudomeningitis (Gusten et al). 2002;31:76-8
Prevalence and antimicrobial patterns of *Acinetobacter baumannii* on hands and nares of hospital personnel and patients: the iceberg phenomenon again (Bayuga et al). 2002;31:382-90

Adaptation, psychological
Illness representations and coping of women with chronic obstructive pulmonary disease: a pilot study (O'Neill). 2002;31:295-302

Adrenal cortex hormones
Pneumocystis carinii pneumonia presenting as a fever of unknown origin in a patient without AIDS (Jani and Mehta). 2002;31:50-2

Aged
Acute myocardial infarction in the elderly with diabetes (Chyun et al). 2002;31:327-39
Effect of coronary artery bypass graft surgery on older women's health-related quality of life (Baldassarre et al). 2002;31:421-31
Health-related quality of life and sense of coherence among elderly patients with severe chronic heart failure in comparison with healthy controls (Ekman et al). 2002;31:94-101
Oxygen transport and organ dysfunction in the older trauma patient (Epstein et al). 2002;31:315-26
Pain intensity and postoperative pulmonary complications among the elderly after abdominal surgery (Shea et al). 2002;31:440-9
The recovery mosaic: older women's lived experiences after a myocardial infarction (Kerr and Fothergill-Bourbonnais). 2002;31:355-67

Algorithms
Telemanagement of heart failure: a diuretic treatment algorithm for advanced practice nurses (Mueller et al). 2002;31:340-7

Anti-human leukocyte antigens; *see* HLA antigens

Antibodies
Preformed anti-human leukocyte antigen antibodies jeopardize cardiac transplantation in patients with a left ventricular assist device (Goffinet and Schneider). 2002;31:122-32

Antibodies, antiphospholipid
Metachronous thromboses and myocardial infarctions in a 32-year-old woman with antiphospholipid antibodies (Best et al). 2002;31:30-3

Anxiety
Effects of phase I cardiac rehabilitation on anxiety of patients hospitalized for coronary artery bypass graft in Taiwan (Ku et al). 2002;31:133-40
Impact of in-home defibrillators on postmyocardial infarction patients and their significant others: an interview study (Chen et al). 2002;31:173-85
Management of anxiety after acute myocardial infarction (Frazier et al). 2002;31:411-20
Randomized controlled trial of a telephone intervention by nurses to provide information and support to patients and their partners after elective coronary artery bypass graft surgery: effects of anxiety (Hartford et al). 2002;31:199-206

Aortic valve stenosis
The complex that wasn't there (Mitchell et al). 2002;31:391-2

Arteries
Use of the SF36 general health status survey to document health-related quality of life in patients with coronary artery disease: effect of disease and response to coronary artery bypass graft surgery (Kiebzak et al). 2002;31:207-13

Atrial fibrillation
The complex that wasn't there (Mitchell et al). 2002;31:391-2
Pulmonary veins: preferred site for catheter ablation of atrial fibrillation (Kantachuvessiri). 2002;31:271-8

Atrial function
Crochetage (Mitchell et al). 2002;31:79-80
Hidden trigeminy and pulsus alternans (Nemeth et al). 2002;31:157-9
Paced bigeminy (Giles et al). 2002;31:450-1
Trigeminal tachycardia (Mitchell et al). 2002;31:233-4

Automation
Intentions to use an automated external defibrillator during a cardiac emergency among a group of seniors trained in its operation (Meischke et al). 2002;31:25-9

B

Bacterial endocarditis; *see* Endocarditis, bacterial

Bigeminy; *see* Electrocardiography

C

Carcinoma, oat cell
Extrapulmonary oat-cell carcinoma presenting as a primary left ventricular tumor: a case report (Khouzam et al). 2002;31:229-32

Cardiac disease; *see* Heart diseases

Cardiac rehabilitation; *see* Rehabilitation

Cardiac transplantation; *see* Heart transplantation

Cardiology
Factors determining cardiac nurses' intentions to continue using a smoking cessation protocol (Bolman et al). 2002;31:15-24

Cardiovascular diseases
Family interventions during the trajectory of recovery from cardiac event: an integrative literature review (Van Horn et al). 2002;31:186-98
Women's Initiative for Nonsmoking (WINS) IV: description of 277 women smokers hospitalized with cardiovascular disease (Froelicher et al). 2002;31:3-14

Catheter ablation
Pulmonary veins: preferred site for catheter ablation of atrial fibrillation (Kantachuvessiri). 2002;31:271-8

Child
Long-term effects of pediatric intensive care unit hospitalization on families with young children (Board and Ryan-Wenger). 2002;31:53-66

Cholesterol
Cholesterol emboli mimicking acute bacterial endocarditis (Mieszczanska et al). 2002;31:452-4

Chronic obstructive pulmonary disease; *see* Lung diseases, obstructive

Coping strategies; *see* Adaptation, psychological

Coronary angiography
Perception of risk for coronary heart disease in women undergoing coronary angiography (King et al). 2002;31:246-52

Coronary artery bypass
Do intraoperative variables have an effect on the timing of tracheal extubation after coronary artery bypass graft surgery? (Walthall and Ray). 2002;31:432-9
Effect of coronary artery bypass graft surgery on older women's health-related quality of life (Baldassarre et al). 2002;31:421-31
Effects of phase I cardiac rehabilitation on anxiety of patients hospitalized for coronary artery bypass graft in Taiwan (Ku et al). 2002;31:133-40
Randomized controlled trial of a telephone intervention by nurses to provide information and support to patients and their partners after elective coronary artery bypass graft surgery: effects of anxiety (Hartford et al). 2002;31:199-206
Use of the SF36 general health status survey to document health-related quality of life in patients with coronary artery disease: effect of disease and response to coronary artery bypass graft surgery (Kiebzak et al). 2002;31:207-13

Coronary disease
Perception of risk for coronary heart disease in women undergoing coronary angiography (King et al). 2002;31:246-52
Symptoms of acute coronary syndromes: are there gender differences? A review of the literature (DeVon and Zerwic). 2002;31:235-45
Use of the SF36 general health status survey to document health-related quality of life in patients with coronary artery disease: effect of disease and response to coronary artery bypass graft surgery (Kiebzak et al). 2002;31:207-13

Correction
Sex differences and the effects of sex hormones on hemostasis and vascular reactivity (Schwertz and Penckofer) (2001;30:401-26). 2002;31:101

Critical care
Use of a pain assessment and intervention notation (P.A.I.N.) tool in

*January/February, pp 1-80; March/April, pp 81-160; May/June, pp 161-234; July/August, pp 235-314; September/October, pp 315-392; November/December, pp 393-462.

critical care nursing practice: nurses' evaluations (Puntillo et al). 2002;31:303-14
Cystic fibrosis
Increasing nursing research in cystic fibrosis (Sigmon and Grady). 2002;31:81-4

D

Defibrillators; *see* Electric countershock
Diabetes mellitus
Acute myocardial infarction in the elderly with diabetes (Chyun et al). 2002;31:327-39
Diagnosis, differential
Cholesterol emboli mimicking acute bacterial endocarditis (Mieszczanska et al). 2002;31:452-4
Crochetage (Mitchell et al). 2002;31:79-80
Diuretics
Telemanagement of heart failure: a diuretic treatment algorithm for advanced practice nurses (Mueller et al). 2002;31:340-7

E

Education, medical
Intentions to use an automated external defibrillator during a cardiac emergency among a group of seniors trained in its operation (Meischke et al). 2002;31:25-9
Nurses' knowledge of heart failure education principles (Albert et al). 2002;31:102-12
Elderly; *see* Aged
Electric countershock
Impact of in-home defibrillators on postmyocardial infarction patients and their significant others: an interview study (Chen et al). 2002;31:173-85
Intentions to use an automated external defibrillator during a cardiac emergency among a group of seniors trained in its operation (Meischke et al). 2002;31:25-9
Electrocardiography
The complex that wasn't there (Mitchell et al). 2002;31:391-2
Crochetage (Mitchell et al). 2002;31:79-80
Hidden trigeminy and pulsus alternans (Nemeth et al). 2002;31:157-9
Paced bigeminy (Giles et al). 2002;31:450-1
Trigeminal tachycardia (Mitchell et al). 2002;31:233-4
Embolism
Cholesterol emboli mimicking acute bacterial endocarditis (Mieszczanska et al). 2002;31:452-4
Emergency medical services
The importance of nurse caring behaviors as perceived by patients receiving care at an emergency department (Baldursdottir and Jonsdottir). 2002;31:67-75
Endocarditis, bacterial
Cholesterol emboli mimicking acute bacterial endocarditis (Mieszczanska et al). 2002;31:452-4
Exercise
The effects of prolonged strenuous exercise on left ventricular function: a brief review (McGavock et al). 2002;31:279-94
Investigation of the difference between treadmill self-efficacy and actual performance in Taiwanese patients with chronic obstructive pulmonary disease (Jeng et al). 2002;31:150-6
Relationship between different indices of exercise capacity and clinical measures in patients with chronic obstructive pulmonary disease (Oga et al). 2002;31:374-81
Extubation
Do intraoperative variables have an effect on the timing of tracheal extubation after coronary artery bypass graft surgery? (Walthall and Ray). 2002;31:432-9
A pilot study to investigate any relationship between sustained maximal inspiratory pressure and extubation outcome (Bruton). 2002;31:141-9

F

Family
Family interventions during the trajectory of recovery from cardiac event: an integrative literature review (Van Horn et al). 2002;31:186-98
Impact of in-home defibrillators on postmyocardial infarction patients and their significant others: an interview study (Chen et al). 2002;31:173-85
Long-term effects of pediatric intensive care unit hospitalization on families with young children (Board and Ryan-Wenger). 2002;31:53-66
Fever of unknown origin
Pneumocystis carinii pneumonia presenting as a fever of unknown origin in a patient without AIDS (Jani and Mehta). 2002;31:50-2

G

Gender; *see* Sex

H

Hand
Prevalence and antimicrobial patterns of *Acinetobacter baumannii* on hands and nares of hospital personnel and patients: the iceberg phenomenon again (Bayuga et al). 2002;31:382-90
Health
Correlates of health-related quality of life in patients with heart failure (Westlake et al). 2002;31:85-93
Effect of coronary artery bypass graft surgery on older women's health-related quality of life (Baldassarre et al). 2002;31:421-31
Health-related quality of life and sense of coherence among elderly patients with severe chronic heart failure in comparison with healthy controls (Ekman et al). 2002;31:94-101
Health status indicators
Use of the SF36 general health status survey to document health-related quality of life in patients with coronary artery disease: effect of disease and response to coronary artery bypass graft surgery (Kiebzak et al). 2002;31:207-13
Heart arrest
Intentions to use an automated external defibrillator during a cardiac emergency among a group of seniors trained in its operation (Meischke et al). 2002;31:25-9
Heart-assist devices
Preformed anti-human leukocyte antigen antibodies jeopardize cardiac transplantation in patients with a left ventricular assist device (Goffinet and Schneider). 2002;31:122-32
Heart diseases
Evolution of information on women and heart disease 1957-2000: a review of archival records and secular literature (Miller and Kollauf). 2002;31:253-61
Validity and reliability of the NYHA classes for measuring research outcomes in patients with cardiac disease (Bennett et al). 2002;31:262-70
Heart failure, congestive
Correlates of health-related quality of life in patients with heart failure (Westlake et al). 2002;31:85-93
Health-related quality of life and sense of coherence among elderly patients with severe chronic heart failure in comparison with healthy controls (Ekman et al). 2002;31:94-101
Nurses' knowledge of heart failure education principles (Albert et al). 2002;31:102-12
Self-care behaviors among patients with heart failure (Artinian et al). 2002;31:161-72
Telemanagement of heart failure: a diuretic treatment algorithm for advanced practice nurses (Mueller et al). 2002;31:340-7
Heart neoplasms
Extrapulmonary oat-cell carcinoma presenting as a primary left ventricular tumor: a case report (Khouzam et al). 2002;31:229-32
Heart septal defects, atrial
Crochetage (Mitchell et al). 2002;31:79-80
Heart transplantation
Preformed anti-human leukocyte antigen antibodies jeopardize cardiac transplantation in patients with a left ventricular assist device (Goffinet and Schneider). 2002;31:122-32
Heart ventricle
Extrapulmonary oat-cell carcinoma presenting as a primary left ventricular tumor: a case report (Khouzam et al). 2002;31:229-32
Helium
Management of respiratory failure with noninvasive positive pressure ventilation and heliox adjunct (Austan and Polise). 2002;31:214-8
HLA antigens
Preformed anti-human leukocyte antigen antibodies jeopardize cardiac transplantation in patients with a left ventricular assist device (Goffinet and Schneider). 2002;31:122-32
Hospital personnel; *see* Personnel, hospital
Hospitalization
Long-term effects of pediatric intensive care unit hospitalization on

families with young children (Board and Ryan-Wenger). 2002;31:53-66
Hospitals, community
Pulmonary alveolar proteinosis: step-by-step perioperative care of whole lung lavage procedure (Ben-Abraham et al). 2002;31:43-9

I

Illness representations; *see* Signs and symptoms
Infant, premature
Decreased activity and oxygen desaturation in prone ventilated preterm infants during the first postnatal week (Chang et al). 2002;31:34-42
Intensive care units
Postoperative complications: does intensive care unit staff nursing make a difference? (Dang et al). 2002;31:219-28
Intensive care units, pediatric
Long-term effects of pediatric intensive care unit hospitalization on families with young children (Board and Ryan-Wenger). 2002;31:53-66
Intermittent positive-pressure breathing
A pilot study to investigate any relationship between sustained maximal inspiratory pressure and extubation outcome (Bruton). 2002;31:141-9
Intervention
Use of a pain assessment and intervention notation (P.A.I.N.) tool in critical care nursing practice: nurses' evaluations (Puntillo et al). 2002;31:303-14
Intraoperative care
Do intraoperative variables have an effect on the timing of tracheal extubation after coronary artery bypass graft surgery? (Walthall and Ray). 2002;31:432-9
Irrigation
Pulmonary alveolar proteinosis: step-by-step perioperative care of whole lung lavage procedure (Ben-Abraham et al). 2002;31:43-9

Lung diseases
Pain intensity and postoperative pulmonary complications among the elderly after abdominal surgery (Shea et al). 2002;31:440-9
Pulmonary alveolar proteinosis: step-by-step perioperative care of whole lung lavage procedure (Ben-Abraham et al). 2002;31:43-9
Lung diseases, obstructive
Illness representations and coping of women with chronic obstructive pulmonary disease: a pilot study (O'Neill). 2002;31:295-302
Investigation of the difference between treadmill self-efficacy and actual performance in Taiwanese patients with chronic obstructive pulmonary disease (Jeng et al). 2002;31:150-6
Relationship between different indices of exercise capacity and clinical measures in patients with chronic obstructive pulmonary disease (Oga et al). 2002;31:374-81

M

Meningitis
Acinetobacter baumannii pseudomeningitis (Gusten et al). 2002;31:76-8
Multiple organ failure
Oxygen transport and organ dysfunction in the older trauma patient (Epstein et al). 2002;31:315-26
Multiple trauma
Oxygen transport and organ dysfunction in the older trauma patient (Epstein et al). 2002;31:315-26
Myocardial infarction
Acute myocardial infarction in the elderly with diabetes (Chyun et al). 2002;31:327-39
Failed reperfusion after thrombolytic therapy: recognition and management (Kucia and Zeitz). 2002;31:113-21
Impact of in-home defibrillators on postmyocardial infarction patients and their significant others: an interview study (Chen et al). 2002;31:173-85
Management of anxiety after acute myocardial infarction (Frazier et al). 2002;31:411-20
Metachronous thromboses and myocardial infarctions in a 32-year-old woman with antiphospholipid antibodies (Best et al). 2002;31:30-3
The recovery mosaic: older women's lived experiences after a myocardial infarction (Kerr and Fothergill-Bourbonnais). 2002;31:355-67
A videotape intervention for sexual counseling after myocardial infarction (Steinke). 2002;31:348-54
Women recovering from acute myocardial infarction: psychosocial and physical functioning outcomes for 12 months after acute myocardial infarction (Rankin). 2002;31:399-410

N

New York Heart Association
Validity and reliability of the NYHA classes for measuring research outcomes in patients with cardiac disease (Bennett et al). 2002;31:262-70
Nicotine
Women's Initiative for Nonsmoking (WINS) V: under-use of nicotine replacement therapy (Mahrer-Imhof et al). 2002;31:368-73
Nose
Prevalence and antimicrobial patterns of *Acinetobacter baumannii* on hands and nares of hospital personnel and patients: the iceberg phenomenon again (Bayuga et al). 2002;31:382-90
Nurse clinicians
Deconstructing the myth of the advanced practice blended role: support for role divergence (Mick and Ackerman). 2002;31:393-8
Nurse practitioners
Deconstructing the myth of the advanced practice blended role: support for role divergence (Mick and Ackerman). 2002;31:393-8
Nurses
Factors determining cardiac nurses' intentions to continue using a smoking cessation protocol (Bolman et al). 2002;31:15-24
The importance of nurse caring behaviors as perceived by patients receiving care at an emergency department (Baldursdottir and Jonsdottir). 2002;31:67-75
Nurses' knowledge of heart failure education principles (Albert et al). 2002;31:102-12
Postoperative complications: does intensive care unit staff nursing make a difference? (Dang et al). 2002;31:219-28
Randomized controlled trial of a telephone intervention by nurses to provide information and support to patients and their partners after elective coronary artery bypass graft surgery: effects of anxiety (Hartford et al). 2002;31:199-206
Telemanagement of heart failure: a diuretic treatment algorithm for advanced practice nurses (Mueller et al). 2002;31:340-7
